AFFIDAVIT OF PASCAL DALOZ FILED UNDER 37 C.F.R. 1.132

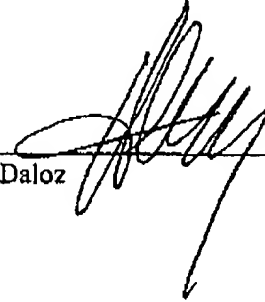

I, Pascal DALOZ, affirm:

1. I am employed by Dassault Systems as Vice-President of Research and Development in charge of strategy and business development.
2. My employment duties at Dassault Systems includes the hiring and management of engineers working in the computer aided design, manufacturing, and engineering (CAD/CAM/CAE) field, the scope of these duties encompasses hiring of individuals for the design and implementation of CAD/CAM/CAE functionality.
3. One of ordinary skills in the design and implementation of CAD/CAM/CAE systems and their related functions is an individual having an advanced degree in engineering, computer science, mathematics or a related field, and having 5 or more years of experience in CAD/CAM/CAE design and implementation.
4. The design and engineering of CAD/CAM/CAE systems requires highly specialized skills in complex mathematics and technology; consequently, one of "ordinary" skills as an engineer designing CAD/CAM/CAE system is an individual having an advanced understanding of, and advanced skills in, sophisticated mathematical and engineering concepts.

5. Francois Perroux qualifies as an individual of ordinary skill in the technical arts relevant to the design, engineering, and implementation of CAD/CAM/CAE functionality.

Subscribed and Sworn at Suresnes, France, on July 25, 2003.

Pascal Daloz

A handwritten signature in black ink, appearing to be 'Pascal Daloz', written over a horizontal line.
